STIPULATION FOR SUSPENSION OF PROCEEDINGS

Applicant and Opposer, through their attorneys, jointly stipulate, subject to the TTAB's approval, and move that the subject proceeding be suspended for six months to and including June 25, 2004 and that discovery and testimony periods be reset at that time to allow Applicant and Opposer to continue to try to amicably resolve the opposition. Applicant and Registrant have agreed on a procedure to end the proceeding, which agreement requires the Examiner's review. Counsel for Applicant states that on November 24, 2004, Counsel for Opposer, Laura C. Gustafson, agreed to this stipulated motion by e-mail communication with Applicant's counsel.

Respectfully submitted,
